Text of the side panel: Natural Factors Zinc Citrate tablets contain 50mg of this important trace mineral. Zinc supports our body's natural defenses and is essential for healthy skin. It is needed for many hormones and supports a healthy reproductive system, hence it is widely used for prostate problems.* Zinc is necessary for our sense of smell, taste and vision. Zinc Citrate is an excellent form of zinc as citrates are extremely well absorbed and well-tolerated by the body.

Text on PDP: Support for the body's defenses and reproductive system*

Name of dietary ingredient that is the subject of statement: Zinc citrate

Name of the dietary supplement: Natural Factors

I represent the information presented to be accurate and in compliance with supplement label regulations.
